

BRAKE KIT PROFILE - 380mm FORGED MONOBLOCK 6 PISTON

Suitable for part number: **VWR650000** (all colour variations)

- // Print to scale: It may be necessary to enlarge or reduce the print to obtain exact scale.
- // Secure paper template to card prior to cutting edge profile.
- // Locate template to wheel centre and rotate to ensure 3mm clearance at all points. Ensure allowance is taken for wheel weights if not already present on inside rim of wheel.
